**ORDER**

This cause came before the Court on the parties' joint motion to extend the remaining settlement administration deadlines and continue the Final Approval Hearing by approximately 30 days. It appears that the Claims Administrator needs additional time to work gather information needed to identify and notify class members of the settlement. For good cause shown, the motion is **GRANTED**. Should AT&T continue to delay compliance with the subpoena, class counsel should promptly seek the assistance of the Court so that another delay does not become necessary.

**IT IS SO ORDERED** the remaining settlement administration deadlines are hereby extended and the Final Approval Hearing continued by approximately 30 days as follows:
